Usual notices were issued to all concerned for filing statement of claims and written statements and on the application of Shri Puspā May Das Gupta, Joint Secretary, Insurance Office Employees' Association of Bengal, the Unions were allowed to file similar statement of claims in all cases, if so desired.

Now in the case of Messrs East India Insurance Co. Ltd., and its workmen (Reference No. 20 of 1951 in this office), the statement of claim was filed on 5th February 1952 and written statement on behalf of the employer was received on 25th March 1952. The Reference was to come up for hearing that meanwhile on the 19th June 1952, a letter under the signature of the Supervising Director of the Company and countersigned by the President and the Secretary of the East India Insurance Employees Union was received intimating that the dispute has been settled as per Memorandum of Agreement enclosed. The parties were summoned for 7th July 1952 for the ratification of the terms of the agreement before the Tribunal; and their statements (which are reproduced in the Annexure (I) attached herewith) were duly recorded. The award is accordingly made in terms of the agreement which is reproduced ad-verbatim as follows:—

Ex. 1.

"Memorandum of agreement between the Management of the East India Insurance Coy. Ltd., and Employees of the said Company entered into on the 16th day of June, 1952.

The following are the points of agreement

1. In view of the presentday hardship, the Management agrees to grant an *ad hoc* increment of Rs. 5/- to all the Assistants of the Company. This increment will take effect from 1st January, 1952 as a very special case. The sum which represents the total amount of the increment to each assistant from January to June, 1952 will be paid on 1st July, 1952.

2. For the above reason as mentioned in para. 1, the Management further agrees that the present Dearness Allowance of the Assistants will be increased by Rs. 3/- per month i.e. the total D.A. will be Rs. 28/- P.M. in place of Rs. 25/- per month. This increment also will take effect from 1st January, 1952 and the amount which represents the difference on the D.A. from January to June, 1952 at the above rate will be paid to the Assistants on 1st July, 1952.

3. The amount of increment in salary that had already fallen due and will fall due to the Assistants in each case in the year 1952 according to the existing grade scale of pay will, as a special case, for the year 1952 be dated back and given as from 1st January, 1952 instead of on the due date according to the grade rules subject to the following provisions namely (a) that this increment paid in January, 1952 will not alter the normal period of time fixed for earning increment according to the grade scale in each case in future and the future increment will fall due under the existing grade scales in 1953 or thereafter on the basis as if increment was given on due date in 1952 and not on 1st January 1952, (b) that no further increment according to the grade scale will be allowed in the year 1952 and (c) that in the case of those who had already been given the grade scale increment in 1952 on due date will get the benefit of the increment as from 1st January, 1952 and the amount already taken by him in the shape of increment will be deducted therefrom, (d) that the increment to be given as above as from January, 1952 will be at the minimum rate of Rs. 4/- instead of Rs. 3/- as in the

existing grade scale. The amount due under this clause will also be paid on 1st July, 1952.

4. With regard to the Subordinate Staff (Menials) who have completed at least one year of service as on 1-1-1952 they will be given a Special increment in pay of Rs. 2/- and their D.A. will be increased by Re. 1/- that is their D.A. will be Rs. 16/- in place of Rs. 15/-. As a special case, the oldest member of the Subordinate Staff Sri Rambilas will get an increment of Rs. 3/- in pay and his D.A. will be increased by Rs. 2/-. In this connection it is recorded that a general increment of pay to the Subordinate Staff has already been given in the year 1952. Regarding taking effect of the above increment and the payment of the amount the same rules will apply as mentioned in the previous paragraphs.

5. The present annual business production position and the existing expense ratio of the Company do not really warrant any increase in pay and allowance of the present number of employees of the Company but the same has been allowed by the Management from other considerations as mentioned in paragraph 1 and also on the expectation that business will improve and expense ratio will be brought down. The employees appreciate that even in the above circumstances of decline in business and heavy expense ratio the Management has not stopped but has uptill now allowed the normal increments under the grade scale to help the employees as far as possible. It is therefore agreed by the employees (Assistants) that no demand of any kind regarding pay, allowance etc., will be put forward by the employees till the end of the year 1954 and thereafter until the Company has been able to write up business of the face value of at least 50 lakhs in a financial year at an expense ratio within the limits as allowed by the Insurance Act.

6. The present authority of the Management to give Special increment to any employee under special circumstances will of course remain in future and the matter will be at the discretion of the Management.

7. The Management has no idea of effecting any retrenchment as a matter of policy if business does not further deteriorate but wish to point out that efficient discharge of duty is the only condition of remaining in service and any slackness in this regard will make one liable for stoppage of increment or even discharge from service.

8. The increments which may hereafter become due subject to the conditions as mentioned above will be according to the existing grade scale of pay and an increment in pay though provided for in the grade scale cannot be claimed as a matter of right but has to be earned by all employees by efficient discharge of duties in the previous twelve months.

9. The Assistants agree that on the basis of the agreement as above all the disputes between the employees (Assistants) and the Management regarding which reference was made to the Industrial Tribunal on 4-2-1952 by the employees and on 24-3-1952 by the Management have been settled and finalised and they agree to apply to the Tribunal to have the settlement recorded with the Tribunal.

10. If for any reason whatever the above agreement becomes inoperative then the increments in pay and Dearness Allowance allowed as mentioned above and which may have been availed of by an Assistant in the meantime, will be taken into account as advance payment made to such an Assistant and will be adjusted against any future increment which may become due.
